

CANCELLATION POLICY

Due to heavy demand, bookings are final and non-transferrable.

Nature Play WA is a not for profit organisation. In order to keep the price to attend workshops as cost effective as possible, we rely on filling all spots.

In circumstances where you must cancel, Nature Play WA will issue a refund less a \$40 administration fee to help recover the cost associated with the cancellation ONLY if another participant is found and takes the place.

If no other participant is sourced, unfortunately no refund is possible.

FILMING AND PHOTOGRAPHY CONSENT

We would love to get some great photos of you participating in this great workshop!

Please give us permission to do so. If you do not give permission, you may be issued with a coloured wrist band so that we do not take any photos containing people wearing these bands.

Permission is for Nature Play WA and/or the Department of Sport and Recreation to use any photographic image or any video footage taken during the workshop, in printed publications, on the internet or in other electronic formats for press or print purposes.

If your image is used, you hereby consent, without further consideration or compensation to the use (full or part) of images taken of my child for the purposes of illustration, broadcast or distribution of any manner. You understand that negatives and prints remain the property of Nature Play WA and there will be no restrictions on the number of times the image is used. You accept that no payment is due in respect of this authority and that no further payments to me are required at any time.

You understand that I have no rights to the said material.

You understand that if you do not give photo consent, you must inform the facilitators at the start of the workshop.
