

## Create your passport today!

Encouraging unstructured outdoor play isn't rocket science - just flick off the computer and toss the kids outside to climb a tree, build a cubby, invent a game or play in the bush. Convince your neighbours to do the same and your kids will get heaps of benefits!

### What is the Nature Play WA Activity Passport?

To get kids motivated to become nature players, we have a passport linked to a series of "missions" designed to make kids run, jump, climb, splash, invent, imagine, play and be a free-range kid. The idea is to help you get your kids outside with some fun and cheap activities.

### Getting started – Instructions for parents and guardians

1. Click on to [www.natureplaywa.org.au/programs/passport-to-an-amazing-childhood](http://www.natureplaywa.org.au/programs/passport-to-an-amazing-childhood)
2. Download the 'Passport' PDF and instructions to create your very own passport that you can record your mission experiences in by writing stories, drawing pictures, stamping or stapling a leaf from an adventure walk! Click onto this [link](#) to print off your own artwork.
3. Check out our **mission badges** to cut out and paste into your passport.
4. **Let your creativity go wild!**
5. **Record** a name, age and a made-up passport number for the child/children in their passport.
6. **Help your child/children** pick activities from the pdf selection on the website and start completing missions!

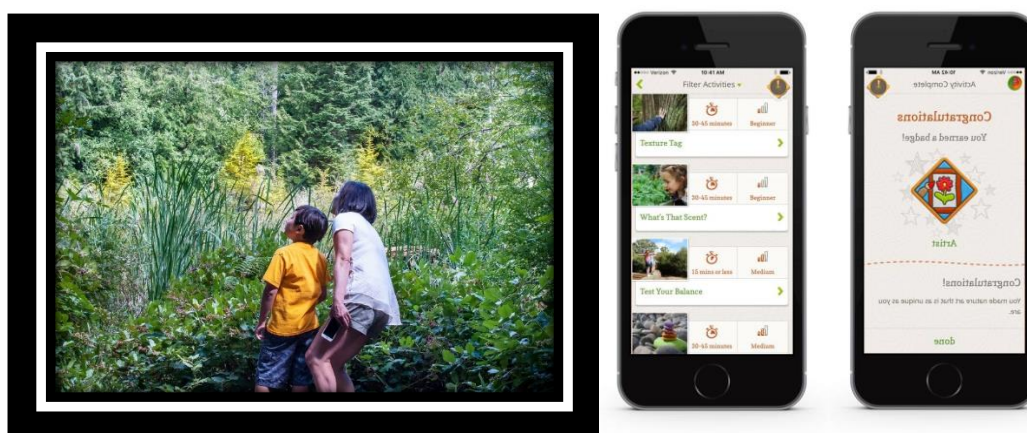

### Once here you can:

- ✓ Pick from **hundreds of fun outdoor activities** ('missions') to complete.
- ✓ Missions are grouped in categories such as: beach, garden, park, extreme missions etc.
- ✓ Also regional places and organisations in Western Australia.

### What is the Nature Passport App?

If you want to have **an online experience**, check out our **NEW** and exciting **Nature Passport App!** Click here: <https://www.naturepassport.org/> OR check it out in the App store.

It has exciting and fun activities to do just like the passport program. This amazing App is a great tool for **families and educators to connect children with nature** in their daily lives in neighborhoods, communities and in wild places. It also provides links to tips and lesson plans for educators, with new content released every two weeks.

- # 15 things TO DO BEFORE you're 12
1. Climb a tree
  2. Build a cubby
  3. Camp out under the stars (even in your backyard)
