 <p>With a heavy duty steel design and a large loading capacity of 300kg, the Heavy Duty Trolley is strong and reliable. It also possesses a longer toe plate than most trolleys, allowing you to move awkward sized objects such as plant pots. Its 10" gel wheels are ideal because their gel filling prevents them from being punctured. The trolley has plastic guards on the vertical frames to prevent any objects being moved from getting damaged.</p> <ul style="list-style-type: none"> • 300KG Capacity • 10" Gel Wheels • Deep Curved Back • Large Toe Plate • Plastic Guards to Protect Load 	Bunnings	\$149	1	\$149
