

PLAY IN MAY

Join us for a month of fun with **PLAY IN MAY!**

WEEK 1 - GARDENING WITH THE KIDS!

- ★ Microgreens - salad greens, leafy vegetables, herbs & edible flowers
- ★ Vegetables - artichoke, broccoli, cabbage, carrots, celery, endive, fennel, garlic, kale, leeks, onions, peas, silverbeet, spinach, spring onions & turnips
- ★ Flowering plants - pansy, snapdragon, cornflower, sweet pea and viola
- ★ Build a "living tepee" with runner beans, peas, nasturtiums or sweet peas

WEEK 2 - ON YOUR BIKE! NEIGHBOURHOOD TREASURE HUNT

- ★ Download a map of your neighbourhood from Google Maps, or;
- ★ Draw your own map including parks, bike paths, ovals & nature reserves
- ★ Mark favourite spots to visit and list "treasures" you hope to find & take your camera to "capture" your finds
- ★ Head off on your treasure hunt! (Be sure to wear your helmet & follow the road rules)

WEEK 3 - BACKYARD (OR INDOOR) OBSTACLE COURSE!

- ★ Design your course with a start & end point, being sure to use the whole space
- ★ Build your course with sporting equipment, outdoor furniture (even the garden hose!), design & make your medals & trophies, & dress up in your finest athletic gear
- ★ No backyard? No worries! Create an indoor one (for the kids or a small one for teddies!)

WEEK 4 - INVENT YOUR OWN GAME!

- ★ Have you invented your very own family game? Tell us all about it!
- ★ Don't have a family game? We challenge you to spend the week coming up with your very own game, create a Rules Sheet & share pictures or videos with us!

We're gearing up for an amazing month of play, & we'd love you to share your adventures with us! Join our Facebook Events for **PLAY IN MAY**, take part in our challenges, share your photos and videos with us (using the hashtags #natureplaywa & #playinmay), & celebrate the joy of play! We can't wait to see what you have in store for us! natureplaywa.org.au/play-in-may
