

Top Nature Playgrounds

It's been tough, but the Nature Play WA team have come up with (some of) our very favourite nature playgrounds. We've broken them into four categories (The Big Four, Hidden Treasures, Regional Rippers and Special Mentions). They're all on the Play in WA app, along with maps, photos and key information to give you all the info you need!

How many can you visit?

Print off our list, pop it on the fridge and tick them off as you explore them all!
