

25 Things to do in Spring

- 1 Discover the newest play trails on [Play Trails app!](#) ([see our website for info](#)).
- 2 Make friends with a tree. Visit it and watch how it grows through the season.
- 3 Go for a cycling adventure - around the neighbourhood or further afield.
- 4 Snail race! Draw a circle & place snails inside. Which one will make it across the line first?
- 5 Go star gazing. Which constellations you can see in the night sky?
- 6 Discover what's in your local lake. Are there new birds, bugs or frogs?
- 7 Get into puddle jumping - how big can you make your splash?
- 8 Find a favourite stick! Sticks can be anything - a sword, a walking stick, a wand.
- 9 Watch the sunrise. There's something special about seeing the sun "wake up".
- 10 Which wildflowers are now in bloom? Check our [blog for where to find them](#).
- 11 Go barefoot. Get those tootsies out and feel the ground beneath your feet.
- 12 Check out the awesome nature play events happening through Spring ([see our Events!](#))
