

Seeing Sound

Adventure Level: Medium

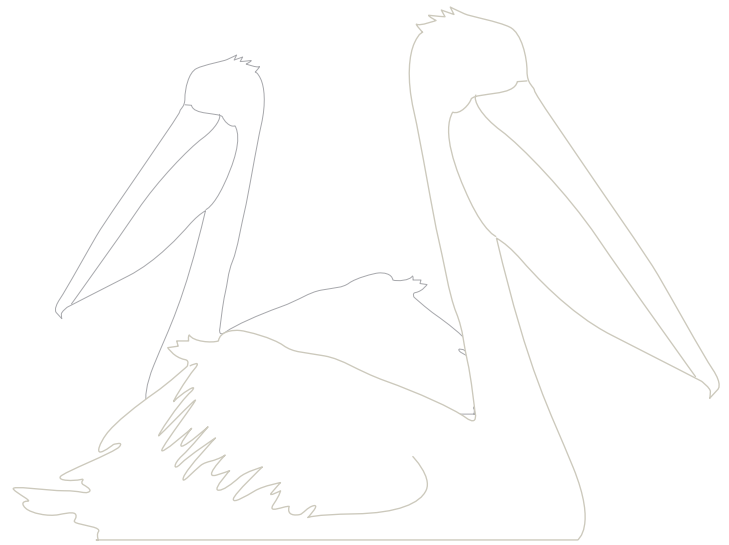

Sounds are only for our ears... or are they? Find a quiet spot to sit and listen. What can you hear?

Describe the Sound

Check off the ones that best fit its description.

Get Drawing!

Can you draw it or add a photo here? You can also draw on the back of this page.

Challenge Yourself!

Make the sound into something you can see. Make a diagram that shows its volume (how loud), its pitch (how high or low) and its duration (how long it lasted for).
