

Nature Play WA's Treasure Hunt!

Go on a nature walk with your pencil at the ready!
Find as many of these treasures as you can.
Can you complete the whole treasure hunt in one go?

Find and collect these treasures

- a smooth leaf
- a feather
- a seed or seed pod
- something straight
- a stone or rock
- something green

Find these treasures with your eyes only!

- something living
- something spiky
- an insect
- something curved
- a flower
- something blue
- evidence of creatures
(e.g. anthill, tracks, droppings)
- the most gigantic plant
you can see!

What was the most interesting thing you found?
